

EASTERN DEANERY REPORT

JANUARY 30, 2016

Blessed Sacrament

The Blessed Sacrament Women's Guild held a Wine & Cheese event for all ladies of the parish in Oct. followed by an after action meeting. The ladies participated in holiday activities by selling wreaths, holding bake sales, assisting with parish Christmas parties and decorating the sanctuary. Each circle met and sponsored a variety of spiritual and fellowship opportunities for the parish.

The next event is a Mini-Retreat (Sat. morning) on 1/16/16 given by Fr. Matthew Busch.

Lenten light meals will be held each Friday in Lent except Good Friday. Each of the 5 circles will provide food for one Friday. Hugs for the Homeless money will be collected at all dinners. All of the circles sent Christmas gifts to their adopted seminarians.
