

DCCW Vice President Report
August 13, 2016

As Dean of Commission chairs, I corresponded with our four Commission Chairs offering to assist with any direction they might need for their new positions. I would like to thank these ladies for stepping up when Sue asked you each to serve as a Commission Chair. (Connie-Service,, Jan-Leadership/Virginia-Legislative,, Susan-Spirituality)

I have a couple of goals in mind in regard to the Commissions.

--I would like to establish descriptions specific to our DCCW that explain the responsibilities of each of the commissions. (I will need some input from folks on this.)

--This goal is already in the works. I've asked each Chair to keep a binder of the things they do along with any ideas and resources so something can be passed on to the next person who takes on a commission position.

Special Tasks:

I created ads for the NCCW Convention and the FCCW Conference program books.

I worked on setting up a DCCW Facebook page.

This concludes my report.
